# HOUSEHOLD RECYCLING & DISPOSAL GUIDE

## Muskegon County

2014-2017

How to recycle or dispose of everything  
from antifreeze to yard waste

Listing for disposal & recycling facilities

**REDUCE • REUSE • RECYCLE**

**RECYCLING OPTIONS FOR MUSKEGON COUNTY RESIDENTS**  
**THE THREE RS: REDUCE, REUSE, RECYCLE**

We all have a stake, and a responsibility, to do more with less. Adhering to the principles, REDUCE, REUSE, RECYCLE (in that order!), can help curb energy and raw material consumption in the face of growing demand on our natural resources. You can REDUCE packaging waste by purchasing items in bulk and/or looking for items with minimal packaging, made of recycled content. Reduce unwanted “junk” mail by customizing your direct mail preferences at [www.DMAchoice.org](http://www.DMAchoice.org).

Find ways to REUSE or repurpose things! ExChangeWestMI.com, Craigslist.com and [freecycle.org](http://freecycle.org) are excellent tools for turning your trash into someone else’s treasure. Invest in a refillable water bottle—it will save you money while reducing packaging waste, transportation fuel use and air pollution! Remember your reusable bags when you visit your local grocery store or farmer’s market. And, RECYCLE everything you can! You can even earn recycling rewards at [www.recyclebank.com](http://www.recyclebank.com)!

Many private haulers (and a few municipalities) offer curbside recycling options for free, or for a nominal fee, to the majority of Muskegon County residents. Contact your waste hauler for details and be sure to follow their collection guidelines. When a household includes unacceptable items with recyclables, such as food waste, refuse, broken glass or pizza boxes, it can contaminate the entire load and your diligent efforts to recycle can end up in the trash!

**Here is a list of local haulers and municipalities that offer curbside recycling services in and around Muskegon County:**

Recycling Haulers	Phone Number	Recycling Location
Ames Disposal Inc.	(231) 744-3031	Kent County Recycling and Education Center

Village of Ravenna (residents only)	(231) 853-2360	Community Recycling Services
Waste Management	(866) 797-9018	Kent County Education Center

This publication is brought to you by Muskegon County Sustainability Office and funded by our Solid Waste program. If you have additional disposal questions that are not covered in the guide, please do not hesitate to contact our office at (231) 724-8846.

The County of Muskegon is committed to fostering a sustainable ecology, economy, and community. Please visit the Muskegon Sustainability Office online at [www.co.muskegon.mi.us/sustainability](http://www.co.muskegon.mi.us/sustainability). There you will find more comprehensive resources and ways we can all contribute to making Muskegon County a premier place to live, work and play!

If you live in an area where curbside recycling is not offered, or you have unique recycling or disposal needs, below is a current list of facilities in Muskegon County that offer a wide range of recycling and disposal options. Please note that some of these facilities do charge a nominal fee.

## ELECTRONIC WASTE & TV RECYCLING

**Goodwill Industries** of West Michigan, Inc.  
271 E. Apple Ave., Muskegon, MI 49442,  
(231) 722-7871 • [www.goodwillwm.org](http://www.goodwillwm.org)

**Goodwill Industries** recycles computers, monitors, printers, TV's and a wide variety of other electronic devices. Donations are collected at all western Michigan **Goodwill Stores and Donation Centers**. Working TV's are sold at the **Goodwill Stores**, and non-working electronics is sorted by Goodwill workers based on its salvageable value.

**Goodwill** partners with **Valley City Electronic Recycling** in Grand Rapids to provide domestic disassembly of all nonworking and outdated equipment to maximize the commodity value for recovered metals, plastics, glass and circuit boards with a zero landfill policy for all regulated material. Revenue from this program benefits thousands of people right here in West Michigan through a variety of services provided by Goodwill. This is a free, easy and environmentally responsible way to get rid of all those old devices stored in the basement and closets.

Please visit Valley City's website for a complete list of accepted items: [www.valleycityer.com](http://www.valleycityer.com)

## APPLIANCE RECYCLING

If you are replacing an old dishwasher, stove or refrigerator, check with the sales clerk or the manufacturer about whether they offer appliance recycling. If the appliance is in working order, you can also call 2-1-1 from any landline to find out if any charities are in need of working appliances (cell phone users dial (231) 733- 1155).

*Note: Most scrap metal recyclers require refrigerants and compressors to be properly reclaimed prior to acceptance (e.g., dehumidifiers, refrigerators, etc.). This must be done by a licensed refrigerant reclamation specialist.*

**Quality Appliance Co., LLC**, 874 E. Apple Ave., Muskegon is a licensed refrigerant reclamation company and accepts non-working appliances containing refrigerants, free of charge, for recycling; (231) 767-3152.

## CELL PHONES

Many organizations will accept old cell phones for emergency use by local person in need:

**Volunteer Muskegon**  
(231) 722-3134 ext. 240  
[www.volunteermuskegon.org](http://www.volunteermuskegon.org)

Distributes unwanted cell phones to seniors and disabled residents so they may have access to call 911 in an emergency.

**Every Woman's Place**  
(231) 759-7909  
[www.everywomansplace.org](http://www.everywomansplace.org)

Recycles gently used cell phones for client use.

**Verizon Wireless HopeLine**  
[www.verizonwireless.com](http://www.verizonwireless.com)  
Collects cell phones and parts for victims of domestic violence. Visit a local Verizon Wireless store to make a donation.

## INK CARTRIDGES

Most ink cartridges can be refilled or recycled. Drop off ink cartridges at any of the locations listed below and you can even earn store credit!

**Office Max**  
12635 Felch St., Suite 40, Holland  
(616) 786-3161

**Staples**  
Westshore Plaza  
1773 East Sherman Blvd., Muskegon  
(231) 739-7739

840 Jackson St., Grand Haven  
(616) 847-2946

2337 North Park Dr., Holland  
(616) 393-8103

## SMOKE DETECTORS

Some smoke detectors contain a very low-level radioactive material encapsulated in a metal chamber. Contact the manufacturer to find out if they offer a mail-back disposal program. Otherwise, the State of Michigan, Radiation Safety Section recommends wrapping spent ionization chamber smoke detectors securely in newspaper, bagging them and disposing of them with your household waste.

You can learn more about smoke detectors and ionization technology at [www.epa.gov](http://www.epa.gov).

## FLAG DISPOSAL

The U.S. Flag Code specifies proper display etiquette as well as disposal guidelines. You can drop off any flag at any local **VFW** post. They work with the Boy Scouts of America to see that your flag is properly disposed. For more information about flag etiquette and disposal, or to find a VFW post near you, visit [www.vfw.org](http://www.vfw.org) and select Community--> Flag Education.

You can also drop-off your old stars and stripes to the **Muskegon County Department of Veterans Affairs, Veteran Services Center**, 165 E. Apple Ave., Suite 201, Muskegon; (231) 724-7143.

## YARD WASTE

Michigan law currently prohibits yard waste from disposal in municipal solid waste landfills. Yard waste is defined as: leaves, grass clippings, vegetable/garden debris and shrubbery, brush or tree trimmings less than 4 feet in length and 2 inches in diameter. Contact your city or township office to ask whether they provide a yard-waste drop-off location. Consider composting your yard waste as a free way to return nutrients to your soil or garden and make your own potting soil.

Contact the Muskegon Conservation District at (231) 828-5097.

## TIRE DISPOSAL

Proper tire disposal is very important, not only for the environment, but for human and animals health as well. Disease-carrying pests can inhabit tire piles. These retailers accept tires:

**Discount Tire Company, Inc.**  
647 W. Norton Ave., Muskegon  
(231) 739-3555

Accepts all passenger and light truck tires for a fee of \$2-\$5 each Monday-Friday 8 a.m.-6 p.m. and Saturdays, 8am - 5pm

**Randy's Auto Salvage**  
1641 S. Wolf Lake Road, Muskegon  
(231) 788-5075

Accepts passenger and light truck tires no larger than 19.5" rims, for \$2.25 - \$3 each Mon -Fri 8:30am - 5:30pm and Sat 8:30am - 12:30pm.

**Smith Tire Station**  
499 W. Broadway, Muskegon Heights  
(231) 733-9406

Accepts all passenger and light truck tires for a fee of \$2.50 each Mon - Fri 8am - 5pm and Sat 8am - noon. They ask that the tires be free of water and debris.

## HOUSEHOLD HAZARDOUS WASTE DISPOSAL

**Hazardous materials can be found in common household items such as cleaners, paint thinners, gasoline and motor oil, pesticides, fertilizers and even Compact Fluorescent Light bulbs (CFLs).** Once these items can no longer be used, they become Household Hazardous Waste (HHW), and it's important to make sure they are disposed of properly to safeguard families, pets and the environment.

The Muskegon County Department of Public Works offers a free HHW disposal program to Muskegon County residents. Please note that commercial and industrial waste is prohibited. Should you possess any of the following materials, the HHW programs will dispose of them in a safe and responsible manner.

- Mercury or mercury-containing devices (i.e. Compact Fluorescent Light Bulbs and other fluorescent lamps, mercury thermometers or thermostats, etc.)
- Petroleum products
- Antifreeze and other automotive fluids
- Pesticides
- Insecticides
- Herbicides
- Aerosol cans (containing hazardous materials)
- Alkaline batteries (we do not accept lead acid/car batteries)
- Acids (i.e. muriatic acid)
- Bases (i.e. drain cleaner)
- Fire extinguishers
- Other products with approval

Recycling used oil is preferred over disposal as HHW. Used oil can be recycled, free of charge, at any AutoZone location and most other quick oil change service locations.

*Note: Paint is not considered a hazardous waste.* The best way to dispose of paint is to use it or recycle it.

### Regular Collection Hours:

The second and fourth Friday of each month, May - Oct, 1 - 3pm.

Late fall and winter collection is by appointment only. Appointments are made only for those who are not able to wait for a normal collection day.

### Collection Location:

Household Hazardous Waste Site  
Rear lot of Pound Buddies Rescue  
1300 Keating, Muskegon

Contact: If you have any questions regarding materials that you'd like to dispose of, please contact the Household Hazardous Waste line at (231) 724-6001 (option 4)

To learn more about health and safety information on household products, help identify potential sources of HHW in your home and find ways to seek out alternatives, visit <http://householdproducts.nlm.nih.gov>

## ANTIFREEZE

Antifreeze contains ethylene glycol and should never be dumped on the ground or down the drain. It is toxic to humans, animals, and aquatic life. In addition to the Muskegon County Household Hazardous Waste Facility, you can take unwanted or used antifreeze to:

### Speedy Lube Inc. locations:

2211 E. Apple Ave. (231) 773-4941  
409 Center St. (231) 744-5203  
57 W. Broadway Ave. (231) 737-1521

### Firestone Complete Auto Care

700 W. Sherman Blvd. (231) 733-2591

## MERCURY THERMOSTATS

Many old thermostats contain mercury about 3 grams of mercury per device.

According to the Michigan Department of Environmental Quality, the improper disposal of mercury thermostats results in about 8% of the mercury released annually in the U.S., equal to about 9.6 tons.

Make sure you dispose of your old mercury-containing thermostat properly, NOT with regular household trash. Once in the environment, it can transform into methyl mercury, which can be extremely harmful to human health.

Please contact your thermostat manufacturer to determine whether they have a mail-back program, or bring them to the **Muskegon County Household Hazardous Waste** facility.

You can also visit [www.michiganenergyoptions.org](http://www.michiganenergyoptions.org) for more information and disposal options in Michigan.

## FLUORESCENT LAMPS & CFLS

Fluorescent lamps, including Compact Fluorescent Light bulbs, or "CFLs," contain trace amounts of mercury. While they use 75% less energy, and last about 10 times longer than traditional incandescent bulbs, you should take care that they do not break and dispose of them safely. CFL bulbs can be recycled at any Home Depot or Lowe's. Simply bring in your spent, unbroken CFLs to the store and ask an associate to point out the recycle container.

### Home Depot, Roosevelt Park

2699 Henry, Roosevelt Park  
(231) 755-0440

### Lowe's\*

2035 East Sherman Blvd, Muskegon  
(231) 739-1100

\*this location also accepts fluorescent tubes.

### Home Depot

900 Jackson, Grand Haven  
(616) 850-8401

### Lowe's

12635 Felch St., Suite 10, Holland  
(616) 738-2500

## MEDICATION & SHARPS DISPOSAL

The **Muskegon Area Medication Disposal Program (MAMDP)** is a collaborative of community organizations providing an outlet to safely dispose of unused, unwanted and expired medications. FDA and EPA no longer recommend flushing or landfilling medications due to environmental concerns about the effects on safe drinking water and the ecology of our watersheds.

MAMDP partners offer collection events as well as an expanding network of daily disposal options. Visit [www.mamdp.com](http://www.mamdp.com) for more information.

### DAILY DISPOSAL OPTIONS FOR CONTROLLED SUBSTANCES

All law enforcement offices throughout Muskegon County have a drop box located just inside their front doors. Medications can be dropped off any time during their regular business hours, and without question. Please visit [www.mamdp.com](http://www.mamdp.com) for additional information about this program.

Ask your pharmacist about other sharps mail-back programs.

## EXPLOSIVES & AMMUNITION

The Muskegon County Household Hazardous Waste program does not generally accept bullets, shotgun shells, fireworks, flares, grenades and other explosives. Contact your local law enforcement agency for disposal options.

## MERCURY THERMOMETERS

The Muskegon County Household Hazardous Waste Program accepts mercury-containing devices.

## PAINT RECYCLING & DISPOSAL

If you find you have leftover latex/water-bases paint that has never been frozen, contact one of these organizations for recycling:

#### Muskegon County Habitat for Humanity ReStore

FREE latex paint recycling  
Ottawa St., Muskegon  
(231) 727-6020  
4345 Airline Rd., Norton Shores  
(231) 737-4939  
NEW LOCATION: 112 E. Colby St., Whitehall

#### Port City Paints RepcoLite Paints Inc.

(231) 726-5911  
Charges \$1 per gallon to recycle latex paint.

**AS A LAST RESORT:** Latex and oil-based paints are not considered hazardous waste, therefore, paints that have been frozen or aged too long may be disposed of with your household trash, as long as it is dried or solidified. Try adding kitty litter or other drying media and leaving the can open to dry in a well-ventilated area, away from children and animals.

## FREE Muskegon County Recycling and Collection Events

will take place in April and October at the City of Muskegon's Department of Public Works parking lot at 1350 E. Keating in Muskegon.

These events will collect and properly recycle and dispose of problem items to help protect the health and safety of Muskegon County residents.

Please visit [www.co.muskegon.mi.us/HHW](http://www.co.muskegon.mi.us/HHW) for updates and announcements for future events!
