

"CAN MY FURNACE WORK LIKE A MILLION BUCKS WITHOUT ME SPENDING A DIME?"

Get a furnace tune-up from DTE Energy at no cost to you.

DTE has teamed up with local community organizations to offer a **FREE** furnace test and tune-up to customers who meet income eligibility guidelines (see below).

A tune-up may help your heating system:

- Run more efficiently
- Last longer
- Operate safely

Plus, you could reduce your energy costs, which means stretching your household budget further.

FREE FURNACE TUNE-UP OFFER

Don't pass it up!

A specially trained technician will conduct a thorough furnace test and tune-up. Typically valued at up to \$150, the tune-up is yours at no cost, if you qualify. Improve your furnace's performance and reduce energy costs to keep on saving for years to come.

To apply, contact:
