| No | 25.81% | 40 |

If no, why?

Answered: 32 Skipped: 125

If no, why?

Show 32 Responses

- 1) I don't want to be around drinking.
- 2) Have no desire to sit with a bunch of drunks. Art fair is sadly lacking. Have no young children to entertain at the movie.
- 3) Conflict with Renee
- 4) Nothing of interest to me
- 5) The music has been very bad.
- 6) The arts and crafts are on the hot pavement. Why aren't they under the shade trees?
- 7) Out of town during festival
- 8) There is not enough activities for families. Not kid friendly at night
- 9) Because I did not know anything about it. WLWN is not how you should be communicating with residents. It is a poorly moderated, and unprofessional page.
- 10) To much drinking
- 11) There is not enough kid's stuff. It's all about beer.
- 12) Usually on vacation at that time.
- 13) To much going on in summer already. Needs to be early fall
- 14) Working
- 15) Nothing of interest
- 16) Usually out of town
- 17) Games for kids are outdated. A carnival like that used to be in DG parking lot would be nice
- 18) Because we are usually on vacation
- 19) No interest
- 20) I could not get time off work.
- 21) Little interest
- 22) Getting to old
- 23) Not much to do for seniors who don't partake in alcohol! Not much publicity on the activities.
- 24) On our anniversary and always out of town
- 25) not really interested in the things they have, art fair carnival wood be nice
- 26) Scheduling conflicts primarily, coupled with either the activities not being enticing enough or not being aware enough if them to make time available to attend (and I dont remember it well enough to know which it is)
- 27) Not my thing
- 28) Work
- 29) Busy
- 30) Newer to the community
- 31) Theres just nothing that compels me to go
- 32) Other priorities

Would you support placing the above mentioned pavilion on the current sports field at Holiday Park and clearing newly purchased adjoining property and adding a new sports field twice the size of the current one with sprinklers?

Answered: 151 Skipped: 6

| | Response Percent | Response Count |
|-----|------------------|----------------|
| Yes | 72.19% | 109 |
| No | 27.81% | 42 |

Question 12. What do you think would improve the Wolf Lake Festival ?

Answers to Question 12:

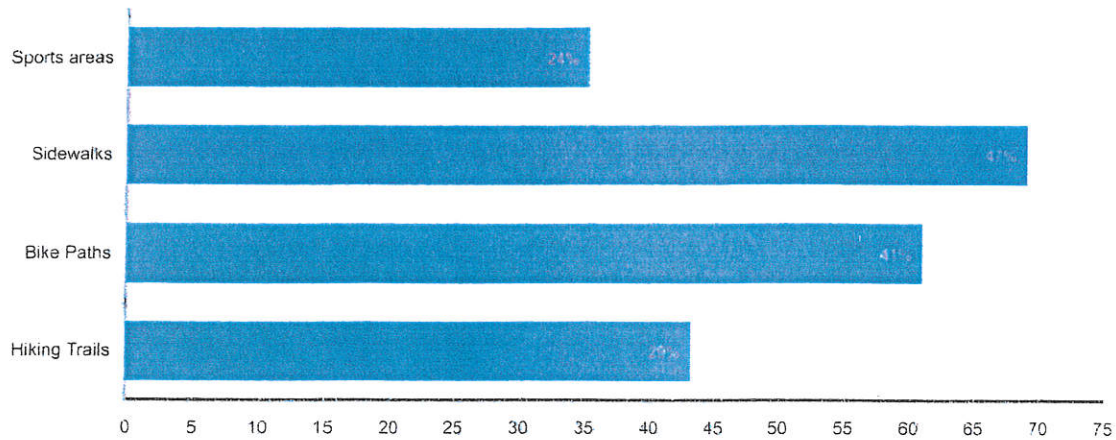

- 1) I personally enjoy the Festival.
- 2) Softball Tournament.
- 3) Longer serving time for the pancake breakfast.
- 4) Getting rid of Renea Foster.
- 5) More kid and teen related festival events to keep them interested.
- 6) Event information availability. Not everyone has Facebook. It would be nice to have a schedule of events ahead of time for better family planning.
- 7) The festival committee, in the past, has done a great job with the money they have been allocated. I'm not sure what could be done differently to promote higher attendance/interest without spending additional funds.
- 8) More activities on the lake, boat parades, water acrobatics, etc...
- 9) More events for kids and families, craft tables.
- 10) Get more vendors for the art fair.
- 11) Festival food!
- 12) Food trucks/vendors.
- 13) The bands should be geared towards dancing for the majority, 40-60 age group. The arts and crafts area should be in the park, under the shade trees, not in a hot parking lot. Then there would be more parking, too. Need more food trucks/vendors, so there is more carnival type foods.
- 14) N/A.
- 15) More kid, teen and family friendly events in the evening. NO political propaganda at the festival!
- 16) Letting residents know the festival dates by using the mail, instead of social media.
- 17) Need more parking! Utilize the parking areas off Hall Rd., behind the ball fields. Go back to having bands on Friday and Saturday nights. Get the same band for both nights. Or, get a local band for one of the nights. People don't want to pay a cover charge to listen to a D.J.!
- 18) Festival information should be sent out, beyond Egelston Township.
- 19) The public needs to be better informed about the Festival.
- 20) Make the Festival more family friendly, too much talk about the beer tent.
- 21) The craft area is too small, not enough parking. This should be moved to the Oakridge middle school parking lot, or a similar venue. Then, it would open up the basketball courts for a "3 on 3" Gus Macker type tournament. Open up the school gym(s) for similar events or tournaments. This would benefit the school sports and clubs. Bring back carnival rides and attractions. I remember when there were carnival activities in the "old" apple discount parking lot. I enjoyed bring my kids to it.
- 22) Events like: a chili cook-off, best home brewed beer, best cake/dessert, best dressed pet, etc.. A Ms. or Mrs. Wolf lake event. Car and/or Motorcycle shows. There used to be tractor pulls. A Wolf Lake moto cross/ or an Auto cross. Maybe a Demolition Derby.
- 23) Nothing!
- 24) More kids events.
- 25) What does the Festival have to do with the Parks and Rec.'s Committee??

- 26) Have the Festival in early fall, in the summer, people are too busy !
- 27) Attend!
- 28) Keep up with the times! Games are outdated.
- 29) Need more bathrooms and update them!
- 30) Be more like a carnival and have more activities for all age groups.
- 31) You!
- 32) Have more parking lot volunteers.

- 33) Instead of a 3 day festival, move it to a 4 day festival.
- 34) More vendors, food trucks, carnival style, children friendly! More advertising.
- 35) I.
- 36) More publicity and more activities for adults, not just for children and alcohol.
- 37) Not sure, I never attended.
- 38) Make it a bigger event! Bring in a full carnival.
- 39) Nothing, it's great!
- 40) Bring in a carnival and have a "Battle of the Bands" event.
- 41) Keep more the Festival at Beals Park and have the beer tent at Flickema Park.
- 42) Advertise it more, it would bring in more people.
- 43) Have a basketball tournament at Flickema Park to bring in more money for the community.
- 44) Keep everything in one area, except for the fishing tournament.
- 45) Carnival rides. Beer tents with music.
- 46) Model the Festival like Hesperia. They have several events that draw people, yet have little costs. Have a firemen battle, horse pulls, karaoke event. Community yard sale.
- 47) Our Festival committee has done a great job! I would like to see more contests: BBQ cook off, pickle competition, etc;;

What would you like to see more of in Egelston?

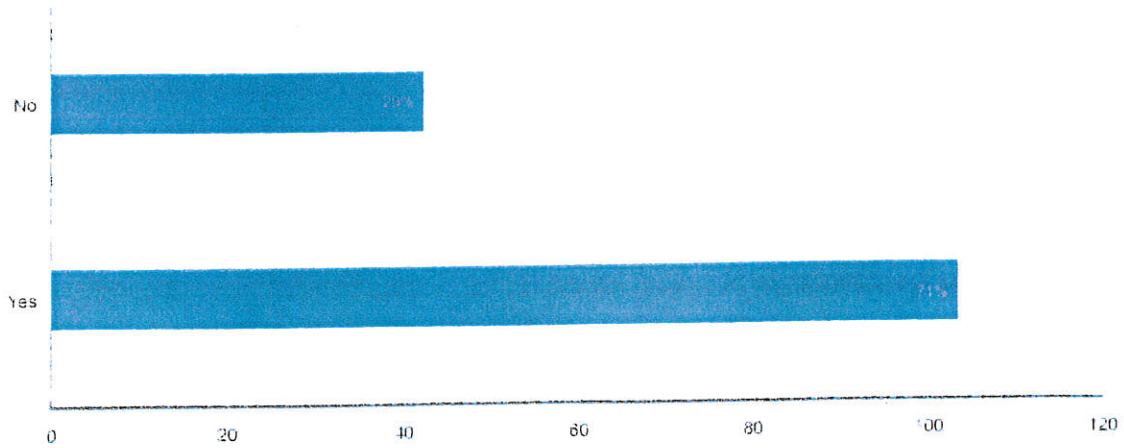

Answered: 148 Skipped: 9

| | Response Percent | Response Count |
|---------------|------------------|----------------|
| Hiking Trails | 29.05% | 43 |
| Bike Paths | 41.22% | 61 |
| Sidewalks | 46.62% | 69 |
| Sports areas | 23.65% | 35 |

If the previously mention pavilion was build at Holiday Park, would you support moving the current festival activities held at Flickema to Holiday?

Answered: 145 Skipped: 12

| | Response Percent | Response Count |
|-----|------------------|----------------|
| Yes | 71.03% | 103 |
| No | 28.97% | 42 |

Question 15.

Do you have any further questions ?

Answered: 42. Skipped: 115.

SHOW 42 Responses.

- 1) At Holiday Park, the girl's ballfield really needs some shade. Please plant some trees by the stands. It's very hard to watch a game in the backfield. Something needs to be done to improve this field.
- 2) Ours is a great community, thanks for asking!
- 3) Would like a Community Center that could be useable than the pavilion shown. Build it in a central location, such as Apple Ave.
- 4) It would be nice if Pine Ridge Park was more than just a sledding hill and woods, like disc golf. My son plays and has to go 10 miles to the nearest park. It keeps kids, adults, and families active, outdoors, and enjoying the woods. It's an inexpensive activity to enjoy, too.
- 5) We need more softball fields. We are getting more youth teams and nowhere for all the kids to practice/play games.
- 6) Widen the Wolf Lake boat launch.
- 7) I'm interested to hear what sports field the pavilion will be on. There are 3 sports fields and a court located there. Poor word choice was used in the survey. It would have helped to make the survey clearer for the person taking the survey. I hope the P.C. can make a diagram of the possible options of where the pavilion will be or where it is being considered.
- 8) I applaud the efforts of trying to get feedback for the above issues. There are too many additional questions and results in the questionnaire. Hopefully, all the results will be made available. First, the costs of items. Grant monies are great, but, matching funds are usually needed. Take the pavilion, for example. Basically, it will go unused for 75% of the year. It will probably be used only on weekends from mid-May through August. Is this the best use of our money? Creating new playing fields can be done overnight and Holiday Park's fields are used 5 days a week from April through July. Would these fields be used primarily for softball and /or soccer practice? Appreciate the initiative. Thank you.
- 9) We need to use our lake and lake front area more.
- 10) Pavilions should have metal roofs and vinyl siding installed on them for better appearance and durability.
- 11) Make upgrades to Holiday Park.
- 12) Holiday Park is overlooked by many and needs to have more publicity. Please put the pavilion at Holiday Park. It is more open and can be better used.
- 13) The bike or multi-use path that runs along Apple Ave., needs to be fixed. I cannot ride my bike down the path because it's not safe. I have blown 2 tires riding on it because the path is not properly graded at the crossings. Tires cost \$225.00 a piece, so please don't discount my opinion because you don't agree with me paying that much for a bike tire. I commute on my bike, so I use the Apple Ave. path, that is my choice, or if I use the path along side of it, I will risk damaging my property.
- 14) Need to add soccer fields at Holiday Park.
- 15) In question #5, why would I pay \$100.00 of the pavilion for the whole day, when I can rent the pavilion at Duck Lake State Park for only \$50.00 a day. Question #1 or #2 will not allow you to mark more than one, so you're not getting an accurate figure on park usage. Flickema Park pavilion should be a rental, too. Put a bocce ball court at Beals Park and there should be food stations at all the Township parks.
- 16) Expanding the sports field at Holiday Park would greatly benefit our youth. There is an incredible need for space for our kids to find a safe area to play.
- 17) The pavilion, as stated in the rendering, is restrooms and storage, NOT a community center and useable in the winter. I would not support that at this time.

- 18) The festival is near and dear to my heart. I'm down with making it better. Why Holiday Park? Totally open to change. Just not sure why however. Still could have activities at both places. How about a community clean-up day. Or pick one property a year that could use some financial help cleaning their yard or getting a roof to replace a blue tarp.
- 19) We need more softball fields. Big tournaments could bring money into the community.
- 20) I would like to see an athletic field to support the soccer club.
- 21) Let Holiday Park be for sports like soccer.
- 22) The hill that goes down to sunset, needs a yield sign or something to tell drivers to slow down. We walk down that hill to get there and cars fly down there, not watching for pedestrians. It's a high pedestrian area in warmer months.
- 23) I don't understand why the farmer's market on Apple Ave. couldn't survive. Also, making improvements at the parks is nice, but there is a really nice area at the VFW going unused.
- 24) Better parking wherever the festival is held.
- 25) Wolf Lake area is growing. It would be exceptionally nice to have a community center. The VFW is outdated and not very appealing to hold a wedding, birthday party, bridal or baby shower, and a graduation there.
- 26) I would like to see a park, large enough to accommodate the soccer club.
- 27) I don't know where Holiday Park is, so I can't comment on it. Prices for rent seem high. Hours for the current pavilion rentals are not user friendly.
- 28) NO!
- 29) Is the P.C. only looking out for the festival or will the whole community be considered? How does the Township plan on paying for the upkeep on another pavilion?
- 30) This survey is poorly worded and only offers predetermined outcomes in many cases. Without real options, particularly the ones that emphasize reducing tax burdens and increasing fiscal responsibility, I am unable to provide input on the majority of the questions.
- 31) The festival would be great at Holiday Park, it has more parking. All the parks seem to have parking issues.
- 32) Holiday Park does not have enough room for festival parking. Holiday Park would need additional parking to hold the festival there.
- 33) Need sidewalks on Hall Rd.
- 34) We need more soccer fields, we're growing leaps and bounds.
- 35) Good Luck!!
- 36) We need a dog park. Nothing fancy, just a small, fenced in area where the dogs can roam.
- 37) You can only choose one option for question 18. There is already a pavilion at Holiday Park. In no way I want my taxes to go to this. We need sidewalks down Hall Rd., for the kid's safety, before this nonsense. There are 3 pavilions at Beals Park and 1 at Sunset Beach. There isn't enough parking at Holiday Park now. Please stop pushing your agenda on us.
- 38) K.
- 39) Make a new, primitive park in the east end of Egelston. It's time to give the outlying taxpayers some parks, trails or a farmer's market, with more parking and not to think of the almighty dollar all the time. There should be something out in that end of the Township and give us a better return on our taxes.
- 40) A pavilion is unnecessary, sport's fields are needed. Sports memberships are at an all-time high. The school is running out of space. There are clubs interested in help funding the development, with the Township.
- 41) The marijuana ordinance should be a vote of the people.
- 42) I am or have been involved in various sports clubs, either as a coach or board member. These clubs know that the improvements they have made doesn't mean they own the parks. Please stay neutral when making your decisions on what's best for the entire Township. Please try to accommodate the clubs, whenever possible, but make the best decisions regardless of any private entity.

- C. Continue to review and expand the maintenance program, as needed to keep the parks and facilities aesthetically appealing and functional.
- D. Review and update the Parks and recreation Plan every five years, not only to maintain eligibility for grants, but to provide a guide for parks and recreation improvement efforts.

PROPOSED PARK IMPROVEMENTS

Beals Park

- Install metal Roofs on Pavilions
- Install vinyl siding on pavilions
- Add Food Prep Stations to Pavilions
- Add Park Benches on hill facing the lake
- Install extra parking
- Repaint shuffleboard court
- New Signs

Pine Ridge Park

- Install Vault Toilet

Flickema Park

- Resurface Basketball/Tennis Court
- Add Retractable Tennis Net
- Add Additional Parking
- Ground polished floors.

Holiday Park

- Build Pavilion/ Farmers Market
- Additional Parking
- Install New All Sports Field
- Retractable Tennis Net
- Ground Polished Floors

Giddings Field

- Build Community Center
- Expand Parking Lot

Action Plan

Action Plan & Project Description

This action plan serves as a template for future projects as directed by the Egelston Township Board and is intended to be a flexible year-by-year list of improvements from 2019 – 2023.

Projects of the Action Plan should be reviewed on an annual basis and adjusted to respond to updated needs/conditions and funding opportunities. Proposed cost estimates are in 2018 dollars and are strictly preliminary.

Actual cost for each project will be more specifically determined as site surveys, programming elements, and engineering plans are developed, if applicable, as well as further analysis of the proposed improvement. If funding levels are lower than required to implement the plan based on the schedule provided, then implementation could be stretched over additional years or the scope of the project condensed.

Time Frame Key

Short-Term Less than 1 year

Mid-Term 1 – 3 years

Long-Term Over 3 years.

Estimated Cost Range Key

\$ 0 - \$50,000

\$\$ \$50,000 to \$100,000

\$\$\$ Over \$100,000

Funding Sources & Collaboration Key

GF = General Fund

D/P = Donation or Partnership

LSO = Local Service Organization

GS = General Sponsor

G = Grants (i.e. MDNR,CDBG,MEDC)

NRF = Natural Resource Fund

FC = Festival Committee

CCF = Community Center Fund
